## THE SIMPLEST WAY IS THE BEST WAY

A. E. Lerche of Springfield Gives a Recipe for Getting Over the Blues

A. E. LERCHE

"If you ever get the blues," he said, "It is well to know the simplest and best way to get rid of them. Crankiness, nervousness and general upset condition preceding the blues usually are due to the relentless grip of constipation on the nervous system. The simplest way to meet this condition is to have a box of Rexall Orderlies in your pocket and the best way is to take one when you feel the attack coming on. It is the finest laxative for men, women and children I know of, and is a regular antidote for the blues—the best ever."

We have the exclusive selling rights for this great laxative. Trial size, 10 cents.

### GREENSBORO

Rev. Robert J. Barton, for several years pastor of the Congregational church, died at Candler, N. C., Jan. 21. He left this church early in 1908 because of ill health, since which time he has resided in North Carolina. He was a devoted pastor of the church, being especially interested in the work of the Sunday school. He organized the Sunday school class now known as the Tuchebeche class. He was greatly interested in musical matters and was organizer and president of the Musical association, which was so popular here for several years. The funeral services were held in Candler, N. C., and the burial was in that place. He is survived by his wife, a sister in Johnson and a brother in Boston. Mrs. Barton has the sympathy of a large number of friends in this community in her great bereavement.

The Young People's Union of the U. P. church elected the following officers for the first six months of 1916: President, Foster Gebbie; vice-president, Mrs. P. A. Morse; secretary, Mabel Edson; treasurer, Harry Miller. The young people feel that they have been able to accomplish work of which they have reason to feel honest pride during the last year. At the beginning of 1915 the two organized classes of young people joined to make a teacher-training class, with the pastor as teacher. The class has nearly completed Oliver's course in "Preparation for Teaching," and those who wished have taken the various examinations and will receive certificates of graduation from the course from the church board. This class has given during the year \$25 toward the debt which remains for repairing the church and \$20 toward the Bible chair fund for establishing instruction in the Bible in the various U. P. colleges.

The Tuchebeche class of the Congregational Sunday school held their annual meeting at the parsonage Friday evening, with a good attendance. After reports from the secretary and treasurer and the chairman of the various committees, the following officers were elected for the year, 1916: President, J. H. Barrington; vice-president, George Tolman; secretary, M. S. A. B. Cuthbertson; treasurer, Mrs. J. H. Barrington; lecture committee, C. H. Miller, B. M. Willey and H. H. Haines; teacher, Rev. E. C. Hayes; assistant teacher, Mrs. E. C. Hayes. After the business session there were readings by Mrs. B. M. Willey, Mrs. N. H. Kaiser, C. H. Miller, Mrs. J. H. Barrington and Mrs. Laura Hartson. Cake, coffee and sandwiches were served to all present. Before the company broke up to leave for their homes, Will Hardy in behalf of the class presented Rev. and Mrs. Hayes with a beautiful eight-day cathedral gong clock.

THE MIND.

Every mind was made for growth, for knowledge, and its nature is sinned against when it is doomed to ignorance.—Channing.

Nobody, I believe, will deny that we are to form our judgment of the true nature of the human mind not from sloth and stupidity of the most degenerate and vilest of men, but from the sentiments and fervent desires of the best and wisest of the species.—Archbishop Leighton.
